SINCE 1965

Our philosophy is the relentless pursuit of perfection. It's a process that we refer to as precision building—and it gives you the assurance that your home will be constructed with every detail accounted for. From layout to paint colors, our process is designed to streamline the experience of building the perfect living area. Throughout our website we have provided a variety of videos that will give you a good idea of who we are, what we do and why we do it.

During the last 60+ years, Wisconsin Homes has maintained a tradition of building some of the finest homes on the market. Every year we focus on improvements which protect the strengths that separate us in the marketplace. As a family owned company we work extremely hard to maintain the highest level of trust possible with our customers. We believe building mutually beneficial relationships has been and will continue to be our most valuable assets.

THE INTELLIGENT WAY TO BUILD

We take precision very seriously at Wisconsin Homes. Our master craftsmen have decades of experience, and when that process is reproduced, consistency is achieved. What does that mean to you? It means that your home will be constructed to extremely high standards, resulting in a home that you can feel comfortable in while knowing it will be free of defects and shoddy workmanship. It's the way all homes should be built. See for yourself.
